Date	16-sep-24					
Arrival Time (*)	10:45					
Departure Time (*)	12:45					

Work done and Observations (to be filled by Technician)	Intervention Successful	
	Yes	NO
Informed the site contact they have to recycle or destroy the old Cisco switch. They had an issue with a computer not connecting to the network. It happened already before the switch replacement. We've informed RE and checked but it seems to be the computer.	X	
Observations (To be filled by Client)
